

# Adopt a Grandparent

As an Independent Mary Kay Beauty Consultant, I have teamed up with other consultants in our area to help make the holidays special for people in our Community.

Our Mary Kay Unit is adopting two local nursing homes. Our goal is to present each resident with a Holiday Stocking containing a **Soothing Hydrating Lotion and a Lip Balm!**

Your **\$25 donation** will provide one of these special gift sets to a nursing home resident.

The gifts will be hand delivered on **Christmas Eve**. A gift card will be enclosed with your name and/or business. As we discovered last year, this gift may be the **only gift some of these residents** will receive this Holiday.

**Thank you so much for helping us make this a more festive Holiday for residents in our local nursing homes.**
